

Newsletter 1st October 2021

Dear Parents and Carers,

It has been a beautiful week. The sun is shining and the children have enjoyed being able to get outside. I have also had the pleasure of going around the classrooms this week and seeing what the children are doing.

This is the first of our new newsletters. We hope you enjoy finding out what the children have been doing in class. This week we are sharing some work from Emerald Class.

All the best,
Mrs Whyte

Parking

As with all schools, parking is difficult and something that comes up regularly across all schools nationally. At Forncett, the Governors and staff have worked hard to try and improve it. This has included consulting with our assigned police officer for advice and guidance; NCC zigzags; NCC putting in extra pavement; signage; reminders and encouragement to all; new speed warning sign; reminders for cars to thank our near neighbours at Forncett for their patience and forbearance during busy times and work with the owner of the nearest car park. There is no magic solution. Please could we ask you all to be respectful of each other, be patient and consider how you are parking.

Harvest Festival

We are holding the harvest festival on the 12th October. A table will be set up in the entrance hall from Monday 4 October where the children can place any items that you are able to send in.

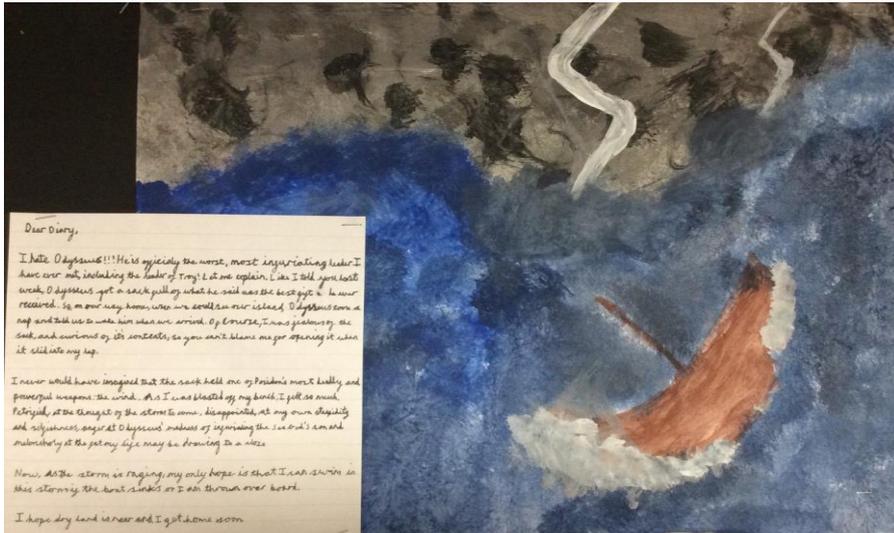

Items you can donate

Non-perishables that have picture labels are particularly helpful (so people know what's in a tin), toiletries (lots of people are needing to go on job interviews), baby food, nappies and food for families. Also, food that has ring pulls and is easy to cook in a microwave.

Flu Vaccine – if you have not yet returned your form, please could you do this as soon as possible to help the office.

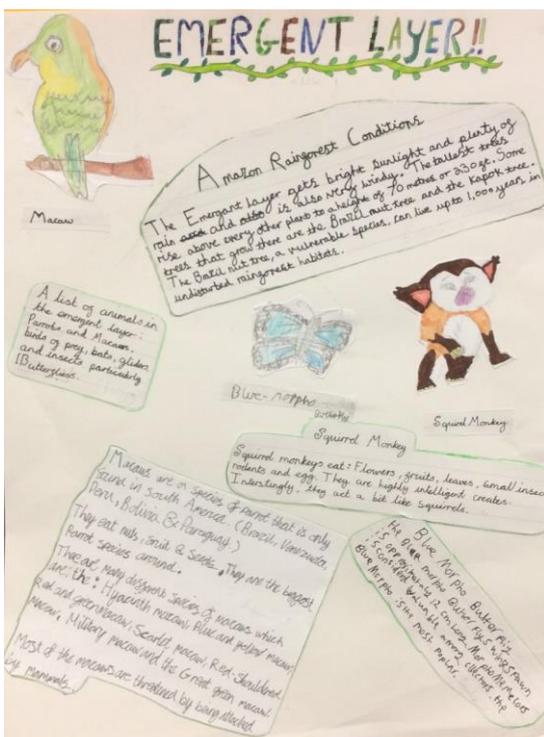

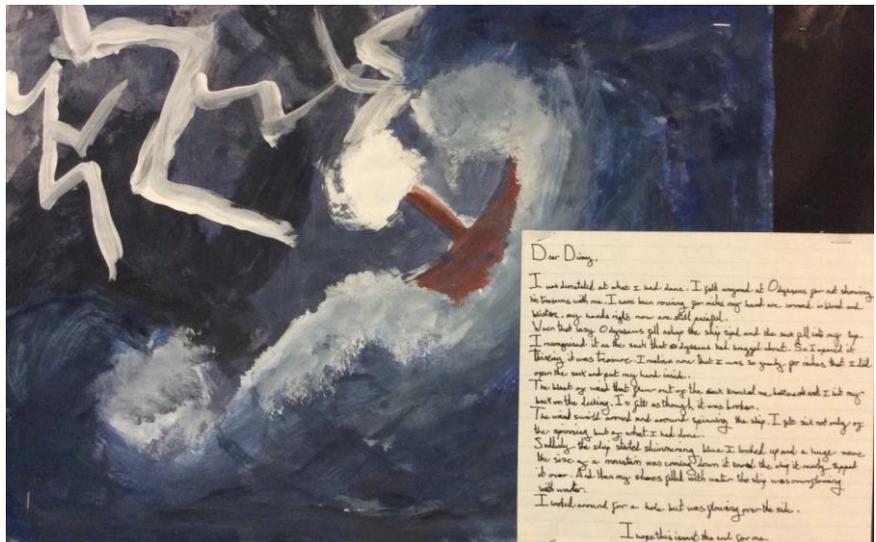

Christmas Cards – Each child has designed a Christmas card and will be bringing them home for you. You can order packs of their cards for Christmas by completing the slip attached, **but it must be returned by the 8th October**. All funds are going to the Friends of Forncett School.

Emerald Class

Two examples of work inspired by the book the Adventures of Odysseus by Hugh Lupton.

The class have been reading the book, responding to it through art work and then writing the experience of being in a storm.

The class have also been making posters relating to the Rainforest for our South American topic. Here is an example of one of the pieces of work.

Well done to all of Emerald Class for their wonderful work. The paintings and writing are all displayed in the corridor and look wonderful.
