

15/10/2021

Dear Parents and Carers,

It has been another busy week for everyone at the school. Today we are sharing some work from Diamond Class. We hope you enjoy seeing their work and getting an insight to what the children are doing this term.

All the best,  
Mrs Whyte

### Harvest Festival

Thank you to everyone for all your donations for the Food Bank. We were delighted with all that was given and the children enjoyed sharing what they had done for the Harvest Festival with all the other classes.

### Cycling

Well done to Year 6 for completing their on road cycling training. They have been out to learn how to be safe on a public road.

A well done also to Year 4 for completing their off road cycling training.

This is an important life skill and we are proud of you all.

### Friends of Forncett

#### **Bonfire Night Cake Sale – 5<sup>th</sup> November, straight after school.**

The Friends of Forncett will be holding a cake sale to help raise funds for the school. These funds help to contribute to the cost of school trips, school events and other extras, such as a small Christmas gift. If you are able to help donate cakes for the sale, the Friends of Forncett would be delighted. We know this is a popular event, so as they say on the Great British Bake Off 'Ready, Steady, Bake'.

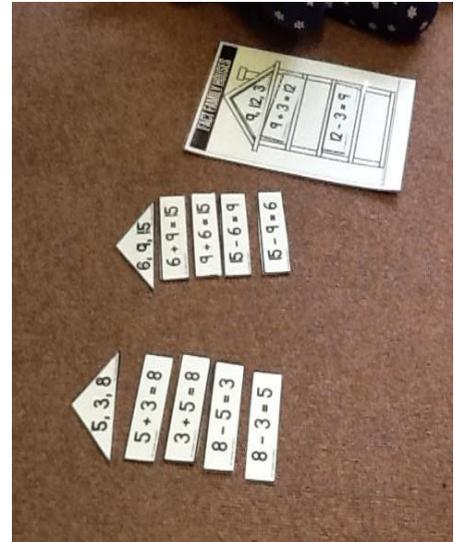

## Diamond Class

We started the term by thinking about our class rules and have made posters to display in the classroom.

In maths we have begun some work on addition and subtraction. The children play lots of games. Here is one about finding fact families.

In Diamonds our topic this half term has been Oceans and Seas. The children have been learning about the Great Barrier Reef and made a picture together. They did some research and wrote some facts.

We have also been learning about Grace Darling. We have been learning about life in a lighthouse 200 years ago and how Grace helped save people from a shipwreck.
